Dear Mr. Loukianoff:

I would like to take this opportunity to recognize the great job that Con-Quest Contractors, Inc. recently performed for the Santa Clara Valley Water District (District) for the above subject project. I, specially, would like to recognize two of your staff, Mr. Ben Rosenstein and Mr. Randy Galusha, for their professionalism and teamwork attitude. Their professionalism assisted the District in meeting the project schedule and cost. These two individuals have been a pleasure to work with. Their experience, knowledge, can-do attitude, and great customer service have made the project team work well together and focused on reaching a common goal: a quality project delivered on time and budget.

Keep up the good job and we look forward to working with Con-Quest in the future.

If you have any questions, contact me at the District's Great Oaks Building, (408) 265-2607 extension 3741.

Sincerely,

Nelson S. Gonzales, P.E.
